

Job Opening:

Prevention Specialist –

Recovery Resource Council, a 72-year-old, non-profit agency providing trauma-informed care, is seeking a full-time educator to provide school and community-based health-promotion services to youth and adults throughout the community with an emphasis on drug-free living.

This position provides services to high-risk teens in Dallas, Ellis, Collin, and Grayson counties and offices at the Dallas Campus.

Requirements: Bachelor's Degree or equivalent experience required; Must have prior experience working with youth and must possess strong skills in public speaking, classroom management, team-building and activity facilitation - including day camps, program marketing, professionalism, documentation, ethics, boundaries, initiative, and overall organizational skills; Prior experience providing prevention education is preferred; additional on-job curriculum and prevention training required – including certification testing within first 18 months. Must have reliable transportation, insurance and valid TX D.L.

To apply, please submit your resume to Erin McCurdy, Senior Director of Prevention Services, e.mccurdy@recoverycouncil.org
