

Job Opening:

YPI Prevention Specialist–

Recovery Resource Council, a 70-year-old, non-profit agency providing trauma-informed care, is seeking a full-time educator to provide school and community-based health-promotion services to youth and adults throughout the community with an emphasis on drug-free living.

This position provides services to high-risk teens in Dallas, Ellis, Collin, and Grayson counties and currently offices from home with “Home Campus” assignment at the Dallas Campus.

Requirements: Bachelor’s Degree or equivalent experience required; Covid-19 vaccination card is required; Must have prior experience working with youth and must possess strong skills in public speaking, classroom management, team-building and activity facilitation - including day camps, program marketing, professionalism, documentation, ethics, boundaries, initiative, and overall organizational skills; Prior experience providing prevention education is preferred; virtual and in-person classroom and service delivery will be required; additional on-job curriculum and prevention training required – including certification testing within first 18 months. Must demonstrate consistent commitment and success to “Making Meaningful Change” with both youth and adults while also upholding the agency Guarantee of “Unconditional Acceptance, Respect, and Positive Regard” for all. Must have reliable transportation, insurance and valid TX D.L.

APPLICATION INSTRUCTIONS

To apply please complete the following two steps.

1. Complete the Predictive Index Behavioral assessment using the link below.
