

How to utilize your regional PRC

The Prevention Resource Center provides information and education about substance use to the communities located within the 19 counties of Texas Health and Human Services Commission Region 3. Our team tracks data, provides trainings, supports community programs and partners, and connects people and organizations with resources in an effort to reduce the incidence and impact of substance use in North Texas. Our resources and services are always free of charge, so let us know how we can be of service to your organization!

We offer...

- Educational presentations for both adults and youth
- Professional trainings (CEU's available)
- Educational materials (including brochures and DVD's)
- Red Ribbon Week Resources
 - *Speakers
 - *Bracelets/stickers
 - *Activity/color sheets
- Regional and county level data
 - *Annual Regional Needs Assessment
 - *County specific fact sheets
- Focus group and survey facilitation
- Community Restitution Program
 - *Satisfy court-ordered community service for minor (under 21) drug/alcohol offenses.
