Guest Check-in: 7:30 a.m.
Breakfast Program: 8:00 a.m.
Meet & Greet/ Book Signing: 9:00 a.m.

Join us for breakfast at Recovery Resource Council's **2023 Power of Prevention** fundraiser, which will be held at Howell & Dragon in the Dallas Design District.

This year's featured speaker is Kristin Dickerson, an award-winning television host of *NBC Texas Today*, which airs weekdays at 11:30 a.m. on NBC-5. During her 19-year career as a storyteller, her work has been recognized with prestigious awards including a National Edward R. Murrow and nearly a dozen Emmy statues. Kristin will share her recovery journey—from her lowest moment of almost losing everything, to more importantly, the countless blessings that have come from sobriety.

Funds raised during the 2023 Power of Prevention will support the Council's mission to promote wellness and recovery from disorders relating to alcohol, substance use, trauma, and mental health.

Sponsorships and tables for 10 begin at **\$1,500**. Individual tickets are **\$150** and available in limited quantities.

About Us

With campuses in Fort Worth, Dallas, and Denton, **Recovery Resource Council** (the Council) is the most comprehensive nonprofit behavioral healthcare provider in North Texas, offering a pathway to recovery since 1946. The Council is Joint Commission accredited and licensed by the State of Texas as an outpatient treatment provider.

Mission: To promote wellness and recovery from disorders relating to alcohol, substance use, trauma, and mental health.

Programs and Services: The Council provides mental health services for veterans and their family members, outpatient treatment and recovery services, prevention programming and services for adults and at-risk youth, and housing services for veterans and the chronically homeless.

Impact: The Council helps meet the mental and behavioral health needs of North Texans in 20 North Texas counties. In fiscal year 2022 (September 1, 2021 – August 31, 2022), the Council made a difference in the lives of **43,594** North Texans.
