

**Open Position  
Master Level Clinician  
Fort Worth, TX**

Recovery Resource Council is seeking to hire a full-time, Master Level Clinician to provide services in Fort Worth. Applicants must be LPC's, LCSW's, or LPC-Associates. Preference will be given to those applicants who possess dual licensure (LCDC) and/or are currently EMDR trained/certified. Preference will also be given to those who are military veterans and/or from military households. Must possess skills in providing trauma-informed care to adults experiencing homelessness and adults with substance use disorders and/or other behavioral health care needs such as unresolved trauma, anxiety, and depression. Must possess experience with complex trauma, diagnostic assessments, and diagnosis coding. Applicants must have experience and proven success in facilitating both individual and group counseling sessions. Must be willing to facilitate groups with male veterans living in a transitional housing environment as well as males and females seeking housing or participating in a housing program. Must be willing to work in-person and provide face-to-face services to individuals seeking care.

Recovery Resource Council complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex (including pregnancy, sexual orientation, and gender identity).

Candidates applying will be asked to complete a Predictive Index Survey before interviewing.

Please submit your letter of interest and updated resume to the Chief Program Officer, Lisa Reiling, at [l.reiling@recoverycouncil.org](mailto:l.reiling@recoverycouncil.org).
