

FULL-TIME POSITION OUTPATIENT COUNSELOR

Recovery Resource Council is seeking a dedicated and compassionate Outpatient Counselor to join our team. This position will provide evidence-based counseling interventions to individuals with substance use disorder and mental and/or behavioral health issues. Responsibilities include conducting intake assessments, developing individualized treatment plans, delivering group and individual counseling services, and collaborating with clients to set treatment goals.

Qualified candidates must hold a certification as a Licensed Chemical Dependency Counselor (LCDC) or Counselor-Intern (LCDC-I), Licensed Professional Counselor (LPC) or LPC-Intern as defined by the Texas Department of State Health Services. Candidates with a bachelor's degree in a counseling discipline are preferred. Training in trauma-informed treatment modalities is required, with EMDR training or certification being preferred. Knowledge of substance use disorders, trauma, PTSD, and co-occurring mental health disorders is also essential.

This position will involve a hybrid work environment, including online/remote and in-office work, as well as some potential travel between offices in Denton, Dallas, and Fort Worth. Some evening and weekend hours are required.

Recovery Resource Council complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex (including pregnancy, sexual orientation, and gender identity).

Candidates applying will be asked to complete a Predictive Index Survey before interviewing.

If interested, please send your resume to b.tinney@recoverycouncil.org.
