

# 37TH ANNUAL CLIFTON MORRIS & JIM BRADSHAW MEMORIAL STARS IN RECOVERY LUNCHEON

Since its inception in 1988, this event has welcomed renowned celebrities and respected public figures who courageously share their journeys of overcoming alcohol, substance use, and mental health challenges.

This year, we are honored to announce Quincy Carter as our keynote speaker. Quincy, a former NFL quarterback for the Dallas Cowboys and a multi-sport athlete, has transitioned into a powerful advocate for positive mental health and substance-free living. After overcoming personal challenges with addiction, Quincy has become a dedicated mentor and advocate for those on their own journeys to sobriety. He will share his inspiring story of resilience, perseverance, and his mission to give back through his foundation and work with young athletes.

Funds raised during the luncheon will support the Council's mission to promote wellness and recovery from disorders relating to alcohol, substance use, trauma, and mental health. Table sponsorships begin at \$1,500. Individual tickets are \$250 and available in limited quantities.
